Report on the Two-Day Workshop

On

'Enhancing Learning and Academic Excellence through IT Tools'

The Internal Quality Assurance Cell (IQAC) of Dakshin Kamrup Girls' College, in collaboration with SS Technologies, Guwahati, organized a two-day workshop on 'Enhancing Learning and Academic Excellence through IT Tools' on 31st May and 1st June 2024. The workshop aimed to equip the faculty and administrative staff with advanced IT skills to streamline academic, administrative, and learning processes, fostering greater efficiency and innovation.

Inauguration Ceremony:

The workshop was inaugurated by the esteemed Principal of the college, Dr. Nara Kanta Adhikary, who delivered an inspiring speech emphasizing the importance of integrating technology into the education system. Dr. Adhikary highlighted how digital tools can revolutionize learning methodologies and administrative efficiency, contributing significantly to the academic excellence of the institution.

Resource Persons and Themes:

The sessions were led by experienced resource persons from SS Technologies, Guwahati, including Mr. Bikram [full name] and [second resource person's name]. The workshop was organized around three critical themes:

Academic and Activities Automation in the College Website

This session demonstrated how the college website could be used as a centralized platform for automating academic and extracurricular activities, making it more accessible and user-friendly for students and faculty alike.

Management of Learning Management System (LMS)

The second theme focused on leveraging LMS platforms to enhance teaching and learning experiences. The resource persons guided participants on creating course modules, uploading resources, and tracking students' progress to make learning more interactive and personalized.

Administrative Activities and Updation

The final theme addressed the automation of administrative processes, such as attendance tracking, record management, and online communication. The session highlighted how these tools could save time and ensure accuracy in day-to-day operations.

Participation and Engagement

The workshop saw enthusiastic participation from faculty members and administrative staff, who actively engaged in the hands-on sessions and discussions. The interactive format provided participants with practical insights into using IT tools effectively in their respective roles.

Conclusion

The two-day workshop concluded with a deep sense of accomplishment and optimism among the participants. The collaboration with SS Technologies enabled the college to explore new dimensions of digital transformation, ensuring that the institution stays ahead in the ever-evolving educational landscape.

The IQAC of Dakshin Kamrup Girls' College expressed heartfelt gratitude to the resource persons from SS Technologies, Guwahati, for their invaluable expertise and support. The workshop served as a testament to the college's commitment to embracing technology to enhance academic excellence and operational efficiency.
