Report on the Two-Day Workshop on Campus Bird Count

The Internal Quality Assurance Cell (IQAC), Eco-Club, and Yuva Tourism Committee of Dakshin Kamrup Girls' College, in collaboration with Banya Bandhu, organized a two-day workshop on 'Campus Bird Count' with the aim of fostering awareness about avian biodiversity and its conservation. Held on 1-2 November 2023 the workshop was an enriching experience for all participants, combining knowledge, observation, and environmental engagement.

Objective of the Workshop

The primary objective of the workshop was to introduce students and faculty members to the fascinating world of birdwatching, encouraging them to observe and document the avian species within the college campus. The initiative also aimed to instill a sense of responsibility toward conserving biodiversity.

Resource Person

The sessions were conducted by Mr. Prasana Kalita, a prominent environmentalist and a member of Banya Bandhu, whose expertise and passion for ornithology greatly inspired the participants.

Highlights of the Workshop

Day 1:

The workshop began with an introductory session where Mr. Kalita provided an overview of birdwatching techniques, identification of common bird species, and the importance of documenting bird diversity. The participants were then taken on a guided birdwatching tour across the campus, where they observed and recorded various species.

Day 2:

The second day focused on advanced bird identification methods, the use of birdwatching tools, and understanding the significance of ecological balance. Participants also engaged in a group activity to compile their observations, which fostered teamwork and critical thinking.

Participation and Engagement

The workshop witnessed enthusiastic participation, with 33 students and 10 faculty members actively engaging in the sessions. The hands-on activities and interactive discussions made the event both educational and enjoyable for everyone involved.

Outcome

The 'Campus Bird Count' workshop successfully introduced participants to the rich avian biodiversity within the college premises. It also encouraged them to continue their birdwatching endeavors and contribute to the conservation of natural habitats.

Conclusion

The IQAC, Eco-Club, and Yuva Tourism Committee extend their heartfelt gratitude to Mr. Prasana Kalita and Banya Bandhu for their valuable contribution to making this workshop a success. The event not only enhanced the participants' knowledge about birds but also strengthened their commitment to environmental conservation, aligning with the college's vision of promoting ecological awareness and sustainable practices.
