Report on the One-Day Workshop on Cake Making

Organized by IQAC, NSS Unit, Home Science Department, and Career Guidance Cell

Dakshin Kamrup Girls' College, Mirza

Date: 23rd March 2024

A one-day workshop on cake making was successfully organized on 23rd March 2024 by the Internal Quality Assurance Cell (IQAC), NSS Unit, Home Science Department, and Career Guidance Cell of Dakshin Kamrup Girls' College, Mirza. The workshop, designed to impart practical skills and promote entrepreneurial opportunities, witnessed enthusiastic participation from 50 students of the college.

The event commenced with a brief inaugural session graced by the presence of distinguished faculty members and coordinators of the organizing units. In her welcome address, the Principal highlighted the importance of skill-based learning in today's education system and how such workshops serve as a platform for empowering students with practical knowledge and entrepreneurial potential.

The hands-on session was conducted by experienced resource persons who guided the participants through the intricacies of cake making, including the preparation of batter, the science of baking, and creative decorating techniques. The students actively engaged in the workshop, experimenting with a variety of ingredients and designs under the expert guidance of the trainers.

The participants showcased remarkable enthusiasm and creativity during the practical segment, producing beautifully crafted cakes by the end of the session. The workshop concluded with a feedback session, where students expressed their gratitude for the opportunity to learn a valuable skill in a supportive and interactive environment.

The event not only equipped the participants with a new skill but also inspired many to consider baking as a potential entrepreneurial venture. It was a delightful experience for everyone involved, fostering both learning and creativity.

The workshop concluded with a vote of thanks delivered by the coordinator of the Career Guidance Cell, acknowledging the collective efforts of the IQAC, NSS Unit, Home Science Department, and Career Guidance Cell in making the event a grand success.

This initiative marks another step in the college's commitment to holistic education, skill development, and fostering self-reliance among its students.
