Respected Sir/Madam

Greetings from TATA CONSULTANCY SERVICES!

We have been collaborating with the District Administration Kamrup for conducting the TCS sponsored training to all non-engineering graduates of Kamrup districts including your college on phased manner. The Program is Free for all 2023 graduating students and we are expecting to complete the program before 15th March, 2023. Therefore, Kindly provide us your kind support to enable the training to at least one hours in multiple batches and alternate days/time/ week to all your Students of final year. Our Trainer will physically visit your colleges on daily basis to deliver the program on phased manner or as per the time table decided by your good Office. The Program detail as follows for favour of your kind information & necessary action:

About the program:

- The Youth Employment Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CSR umbrella and has been driven since 2011 addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates.
- The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. We mobilize these youth by partnering with Colleges, Universities, NGOs, Corporate Foundations, Religious Trusts, Government Bodies and Tata Group companies. In terms of geographic reach, the program is currently operating in over 30 states / UTs. Nearly 13,000 have got jobs in TCS. About 10,000 have gained meaningful employment in other companies.
- By leveraging digital capabilities of TCS, it would benefit 10 million by 2030. You too can join us in this great journey. There is a space for everyone to contribute, and to build on the belief of your own and the life of others.

- The training will be of about 100 hours, covering standard modules prepared by TCS on Business Skills, Communication Skills, Quantitative Aptitude, Logical Reasoning, Computers, Interview Skills, Resume Writing to name a few. This would be followed by trainings on specific domains. Additionally, trainees will also be guided to take up Free Self-Learning Courses such as those offered by TCS iON portal.

Cost of Training: Free

Training Duration and Mode:

The training will be in both online and offline for 25-60 working days or may be extend up to 15th March, 2023.

Post Training Certification:

Trainees will receive a digital certificate of participation and completion from TCS which will stand as a testimony and accreditation of their employability prospects in the corporate world.

Employment Opportunity: All YEP candidates will get two opportunities:

1. Apply for TCS job through TCS TAG enabled proctored test
2. Apply for jobs in other companies and TCS through TCS National Qualifier Test (NQT)

Prerequisites to commence the training program:
